IF THIS IS THE COMPANY'S FIRST TIME DOING WORK IN THE DISTRICT
A REGISTRATION FORM MUST BE COMPLETED AND TURNED IN WITH THIS APPLICATION

Requirements

- 1 All plumbing must comply with the current Uniform Plumbing Code and TCEQ regulations.
- 1 Any health hazards found in existing plumbing must be repaired.
- 2 All inspections must be completed by the District's inspector, listed on the permit.
- 3 If the prepaid plumbing inspections fails, the above company will receive a bill for the re-inspections. Re-inspection fees are \$120.00 each. All re-inspection fees are due 10 days after receiving bill or the above company will be terminated from the District.
- 4 All residential and commercial construction requires a Certificate of Compliance from Williamson County.
Please contact the County at 943-3620.

NOTE: To ensure contamination of the public water does not occur, all back flow prevention devices must be tested upon installation and every 5 years thereafter. All back flow devices that are installed to protect against health hazard must be tested annually. This is to be done by a certified tester and a copy must be filed with Brushy Creek M.U.D.. This testing will be at the homeowner's expense.
