BCMUD staff will require everyone to move indoors. It will be the participant's decision whether you stay indoors at the Community Center for the remainder of the night or go home. Activities will not be provided indoors for the event if severe weather occurs before midnight, but a sleeping area will be available in the Brushy Creek Community Center meeting rooms should severe weather occur in the middle of the night.

I, Miranda Streiff (Event Coordinator), will be on-site during the event. If you need assistance, either come find me at the event site or call me at 281-814-7993. You can also call me at any time for an emergency.
