This legal agreement shall be paid for and will be the homeowner's responsibility.
The pool builder / plumber will be responsible for pulling a separate pool permit.

Requirements

- 1 A PRE inspection must be completed by the District's inspector, listed on the permit, before using trail or easements.
- 2 The use of District property will be issued to the homeowner, to insure repairs.
- 3 Absolutely no equipment or spoil piles shall be left over night on District property.
- 3 A FINAL inspection must be completed by the District's inspector, listed on the permit, before deposit will be returned.

NOTE: To ensure contamination of the public water does not occur, all back flow prevention devices must be tested upon installation and every 5 years thereafter. All back flow devices that are installed to protect against health hazard must be tested annually. This is to be done by a certified tester and a copy must be filed with Brushy Creek M.U.D.. This testing will be at the homeowner's expense.
